Judges

Tomasz Okoniewski

Master of Light Artist | EFIAP D3 | MPSA

A historian, a journalist, a great enthusiast and promoter of photography which is his passion. He has been interested in the art of image for many years and his hobby has been treated more seriously since 2007.

Romos Kotsonis

★★★★ MoL, EFIAP/D3, MPSA

Romos Kotsonis was born and lives in the coastal town of Limassol in Cyprus and he is the founder / manager of "Cyprus From Above".

Creating with Photography, is a "mind stimulating" occupation for many years but only recently, in 2013, he began competing internationally. Reason for this was his friends, as they prompt him to begin and a personal bet with himself to reach certain targets, that he has succeeded!

In 2014 he obtained his 1st Master in Photography (M.I.C.S), in 2015 his 2nd and 3rd. Currently is awaiting for the submission and approval of the EFIAP /Platinum distinction.

Many of his photos have been published in international and national salons, front page magazines, books, catalogues, brochures, banners etc.

He loves motorbikes and this has taken him to complete trips on his bike discovering the world. Some of his work has been presented in all cities around Cyprus among them is the interactive presentation "11 countries on 2 wheels", "Photo Paths" etc

Nenad Martić

EFIAP D1

Nenad Martić was born and educated in Zagreb.

He graduated from the Faculty of Pedagogy in Zagreb, department of fine arts.

At the beginning of his career, he worked as an illustrator, and since 1990 he has started his own business graphic design studio.

In the last ten years, he has been intensively engaged in photography, which has become his passion the greatest challenge in creative expression. In most cases, he does not take photos to order, but chooses the topics he is given greater freedom.

He mostly does street photography, where in addition to interesting motifs, he tries to add sociological component. Documentary photography, but not on the front lines, without blood and pathos, nuanced to human gestures and situations.

He also likes to retreat to the studio where he contemplates through the medium of photography. Creates compositions and experiments with various computer techniques that he uses in his work. In the last five years, he has been using a drone.

He is a member of ULUPUIHA and Photo Club Zagreb.

FIAP Blue pin for The Best author of the Salon

Maurizio Trifilidis

Italy

Born in 1951, amateur photographer as a young man. An intense professional life then distanced me from cameras, acids and enlargers. I found time for photography again when I retired and it has become my main activity. I travel a lot to photograph places far from traditional tourism. My photos have been used for calendars and travel catalogues; have been published in magazines, including National Geographic and the Photographer. Some reports were published in Travel Tales I and II. I have exhibited in group exhibitions, including at the Tre Oci in Venice. I started actively participating in competitions from the end of 2021.

AFIAP, EFIAF/b, I.APS/b, E.NPS, BFA.

Winner of the Grand Prix “Dragutin Antun Parčić”

Anna Alimpieva (Finland)

I was born and raised in Russia and have lived in Finland for almost ten years. I hold a degree in accounting.

I have been photographing since 2011, starting with weddings and other events before realizing that portraiture was my true passion. In recent years, I have focused on fine art portrait photography, often featuring children. I strive to create photographs with soul — as if I were making them for someone very close to me.

I am a member of the Eurasian Photographers Association, the Art Portrait Club, and the International Association of Art Photographers (IAAP), where I hold the EIAAP title.

I am a winner and prizewinner of numerous international competitions, a recipient of 20 FIAP Gold Medals (in just one and a half years of competition participation), and many other medals and awards. I am also a winner of the 10th 35AWARDS competition.
